For personal use in conjunction with the book and these From MARTI MICHELL Tools:

Perfect Patchwork Template Set B Product #8252, Set D Product #8254 and strip piecing techniques

Sonnie Template	92A	92B	92C	92D	92E
is the same as FMM Template	B-14	D-28	strip piecing	scant 1" square	D-29

Observe grainline arrows on templates when cutting except B-14 in Cutting, step 1 and D-28 squares:

Color Key

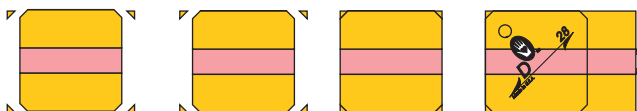

Strip Piecing Center Units

1. Cut 1 pink and 2 yellow strips a scant inch wide and 9½" long on the lengthwise grain.

2. Join the strips so they alternate colors as shown. Press toward the center strip. Working on a small cutting mat, cut 4 D-28 squares from the pieced strips. Rotate the mat to nip the corners.

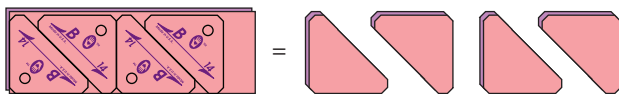

Nip the corners after cutting

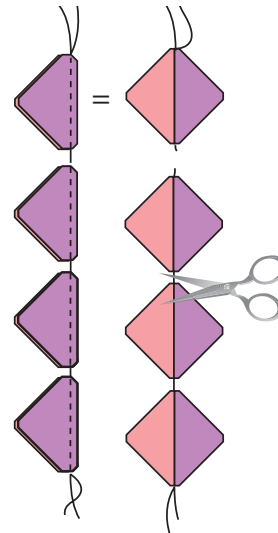

3. Cut 4 scant 1" squares of both yellow and pink fabrics and one from the purple fabric. Make a nine-patch unit from the squares. Press rows 1 and 3 toward the pink. Press row 2 toward the purple. When joining the rows, press toward rows 1 and 3.

Cutting the Remaining Pieces

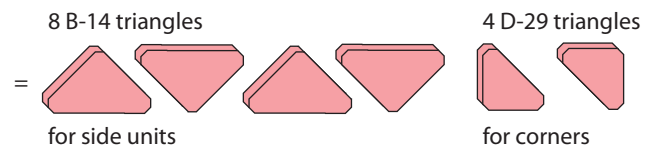

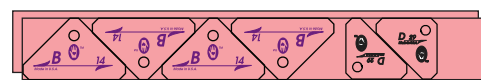

1. Make 4 half-square triangle units. Cut 1 pink and 1 purple strip 2" wide by 6" long. Put right sides together and cut 4 pairs of B-14 triangles, as shown.

Join the triangle pairs on the long side and press toward the pink triangles.

2. Cut 4 D-28 squares from the purple fabric.
3. Cut 2 strips of pink fabric 1½" x 11" or choose a fourth fabric for the outside edge as we did. Stack the strips. Cut 8 B-14 triangles and 4 D-29 triangles, as shown. Observe the grainline arrows on the templates.

Completing the Block

1. Join into units as shown in the book. After adding the outside triangles to the pieced half-square triangle units, press toward the triangles on the outside.
2. Join units to complete the block. Press all other seams open as you join units.
