

Volume 1 Block Index

The Encyclopedia of Patchwork Blocks

WOW! 28 different block sizes—out of only 7 shapes!

Volume 1 features blocks to make with Perfect Patchwork Template Sets A or B or the paper patterns included in the book.

Volume 1 isn't just diagrams of blocks.

Italics indicate, to the best of our knowledge, a new name in the book and often a new design or a slightly altered familiar one. NOTE: Blocks are not shown here in proportion to each other.

Any block that can be made with Set A can be made with Set B. It will just be bigger.

Air Castle

Set A: 6 3/8", 9"
Set B: 8 1/2", 12"
