

Volume 2 Block Index

The Encyclopedia of Patchwork Blocks

WOW! 27 different quilt block sizes!

The Encyclopedia of Patchwork Blocks, Volume 2 features blocks to make with Perfect Patchwork Template Sets A and C or B and D or the paper patterns included in the book

Volume 2 isn't just diagrams of blocks

Italics indicate, to the best of our knowledge, a new name in the book and often a new design or a slightly altered familiar one.

NOTE: Blocks are not shown here in proportion to each other.

Volume 2 also includes a number of miniature blocks that can be made with Template Sets A and C, and Sets B and D

**54-40 or
Fight**

Sets A/C: 9"
