

Turn Halloween into a tradition

Flying Tiger Copenhagen is counting down to the scariest night of the year. Because Halloween has its own thrilling traditions, and its décor is something to look forward to year after year – just like Christmas.

Horrifying, hilarious and full of jump scares – Halloween has it all! We're dressing up in scary outfits, turning the front garden into a graveyard and welcoming strangers with terrifying treats. Halloween is a tradition, and if your family doesn't have a box with scary décor stored away, get in the game – think of the great memories it triggers in years to come.

The collection offers a haunted mirror with spooky sounds and a skeleton set that'll scare the living daylights out of everyone. Other decorative must-haves this year are the paper pumpkin and five carefully designed signs. The paper series is made from green forestry. Happy Halloween!
