

# Have a baubly Christmas

**Flying Tiger Copenhagen is a huge fan of Christmas traditions. It's love, actually. So we've created one ourselves by introducing new quirky and eco-conscious baubles every year. Of course, this year's baubles are no exception. They're an expression.**

They're iconic, ironic, and one only lacks tonic. And they all bring a fun, festive splash of colour to the season to be jolly. So, go deck the hall. Wrap a bauble and bring it as a host or hostess gift. Or put it on the tree.

Our baubles are eco-conscious. Not only because they're reusable and can decorate your tree year after year, but also because they're made from glass and metal, both recyclable materials.

**Available online and in stores from November, prices from €2**

An invitation to a richer life. At Flying Tiger Copenhagen, we don't design to make products look nice. We design to make people feel good. Every month we launch an array of new products: Things you need. Things you dream of. Things you didn't know existed. Products made for you and the resources we share. A richer life doesn't cost a fortune. At least not at Flying Tiger Copenhagen.
