

Be like Father Christmas and make it a Christmas

Flying Tiger Copenhagen's Christmas gift wrap this year is sweet, fun and ho ho oh, so eco-conscious. Our designers let Father Christmas pose vacuuming in his jim-jams and his beloved red-nosed sidekick Rudolph pose on a tote.

No wonder Father Christmas needs some me and free-time on 25 December. Wrapping (and delivering) Christmas presents can be quite a handful. So we've made it fun!

All our gift wrap is eco-conscious and made with a big heart. Paper and paper bags are made from FSC-certified wood and the totes are reusable. For instance for the Christmas stocking to brim with joy every morning throughout December.
