

Ho, ho, ho Christmas you have to own!

Flying Tiger Copenhagen is warming up for the most wonderful time of the year with cups of joy and eco-conscious Christmas jumpers. A richer life doesn't cost a fortune.

Make the most of the holiday season and embrace the fun traditions. The Christmas jumper started out as a hopeless present from a well-meaning relative and ended up as a popular seasonal sweater. This year, Flying Tiger Copenhagen is introducing two festive Christmas jumpers. Both designs are made of recycled textile materials.

Put your feet up and settle in for the cosiest time of the year with a holiday mug. The ceramic yuletide collection includes a cute Santa cup and the deerst cookie mug, both of which make lovely stocking fillers.

Available online and in stores from November, prices from €3
