

Tweet! Happy Easter feast

Flying Tiger Copenhagen is spreading its wings and celebrating the moveable feast with a wow-worthy Easter collection. Please be seated!

Spring is on its way, and we'll bet you can't wait to gather the people you love for the moveable feast. The Easter Sunday lunch is the perfect opportunity to style a stunning table display and impress your guests. Bon Appetit and please take a seat.

Among the new arrivals are a design series featuring the first flowers of spring. The floral print includes four fabric napkins that will decorate your spring table for years to come. Invite the Easter bunny to the table too – our cute ceramic vase and pastel-coloured centrepiece are true crowd-pleasers.

We've saved the best for last with a brand-new collection of Easter baubles. Some traditions are worth copying!
