

Flying Tige Copenhagen Partnerships

In the Nordic region we have a partnership with:

DK: Børnecancerfonden
SE: Barncancerfonden
NO: Barnekreftforeningen
IS: Styrktarfélag Krabbameinssjúkra Barna
FI: we4you

The first 4 organizations help children with cancer and their families.

The Finish organization help sick children in hospitals.

- Throughout the year we sell items where a part of the profit goes to these organizations
- In September we facilitate Superhero month where we encourage all our customers to donate to these organizations
- We donate products to the children and hospitals all year round. In example we give “needle presents” when a child has a blood sample taken and we donate to conversation therapy groups
- We also help decorate hospitals for Halloween, Christmas, Easter etc.
- We participate in Run of hope in Sweden.

On top of all the products that we donated in 2022, we also collected and donated:
