

When the evening shadows and the stars appear  
And there is no one there to dry your tears

---

How wonderful life is while you're in the world

---

Oh, her eyes, her eyes make the stars look like they're not shining

---

If you fall I will catch you--I'll be waiting

---

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

---

You need some lovin'  
Tender lovin' care  
And I'll take you there

---

City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
I had a feeling that I could be someone

---

My head's under water  
But I'm breathing fine  
You're crazy and I'm out of my mind

---

Far across the distance  
And spaces between us

---

Turnaround bright eyes, every now and then I fall apart

---

It's a love story baby just say yes

---

Du trenger bare knipse og si hei  
Jeg kommer alltid løpende til deg

---

Skulle aldri forelske meg  
Men det var før jeg traff deg

---

In my life there's been heartache and pain  
I don't know if I can face it again

---

Nei, at eg skulde ha slik tur, det æ 'kji te å tru

---

You are the moon  
That glows in my heart  
You're my daytime my nighttime  
My world

---
