I like your post dj, I just prefer to refer to the Adobe Photography Plan as Photoshop CC (plus Lightroom Classic and Lightroom (Cloud)). Lightroom is virtually a gift since Photoshop already has Adobe Camera Raw Plugin which also provides all the features the Develop Module of Lightroom Classic. Photoshop alone is good value for the \$9.99 per.

Adobe Photoshop Lightroom Classic CC 2018 Review

Photoshop Lightroom is known for its best image processing capabilities. The latest version tends to deliver better performance and specific environment to process RAW image files with a wide range of options and tools so to take your digital photography to an ultimate level. You can also call it as a dark room for your digital photography which simplifies and automates the manual work and allow you to finalize your digital images. It is a very precise tool which automatically corrects most of the issues and provides the ability to manually adjust the remaining issues.

Lightroom Classic vs. Lightroom CC Did the name of the desktop version of Lightroom change? Adobe Photoshop Lightroom Classic is the renamed version of the Lightroom application you have used in the past, and it is optimized for desktop-focused workflows, including local storage of your photos in files and folders on your computer. Trusted Mac download Adobe Lightroom Classic CC 9.1. Virus-free and 100% clean download. Get Adobe Lightroom Classic CC alternative downloads.
