The Paravento 070 screen by Dimorestudio blurs the line between private and public: Featuring two-sided rhomboids in mirror and lacquered wood that pivot in a brass frame, it can conceal a dressing area or make a statement as a room divider. Made in Italy. *Price upon request, through the Future Perfect, thefutureperfect.com*

THE WARDROBE

The dressing room is a private space made all the more alluring by the right accessories. Outfit your sartorial inner sanctum with accoutrements ranging from elegant hardware to sexy screens.
