TRADE PROGRAM

We are happy to work with designers, retailers and trade showrooms. Please see the below information regarding our trade program and fill out the attached trade program application as needed.

RESIDENTIAL DESIGNERS

Residential designers are our bread and butter and we love working with you! We recommend that designers visit their local showroom to see samples and place orders (please see the showrooms page on our website). For designers that do not have a showroom in their vicinity, we offer a percentage off our retail pricing to the trade. Please fill out the attached trade program application and email it back to sales@neststudiocollection.com. We will return your email within 5 business days to give you your account information and provide details on your discount.

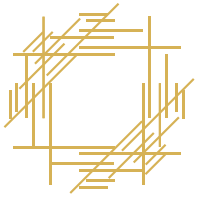

LARGE QUANTITY AND CUSTOM ORDERS

We stock a limited supply of our hardware in select finishes so if you have a large quantity order or a custom size or finish please email us at sales@neststudiocollection.com. Special price breaks may be considered on a case by case basis. We will try our hardest to accommodate your request

IMPORTANT FIRST STEP

Before filling out the trade application make sure to create an account on our site at <https://neststudiocollection.com/account/register>

You will need the email address you use to register to complete the form below. Once approved your account will be converted into a trade account.
