

## M&R Drivers Restraint Re-Certification Program

### Details

- We can only recertify harnesses made by M&R Products.
- All webbing must be replaced with new webbing as part of the recertification process.
- Webbing color can be changed at no additional cost. Current colors available are Black, Red and Blue.
- All harness hardware must be sent in and will be fully inspected. If any hardware is damaged, it must be replaced during the recertification process. The customer will be notified for approval of replacement hardware prior to completion of the recertification. All hardware costs will be added to the recertification fee.

### Pricing

- Belt Recertification is \$50.00 each for 5pt's. and \$55.00 each for 6pt's. plus shipping.
- M&R accepts all major credit cards for payment. An M&R representative will contact you when your belts are received in our manufacturing facility to collect your credit card information.
