

DIY BOREDOM JAR

ESTD. 202

My Enchanted Door
Bring Magic to your Life

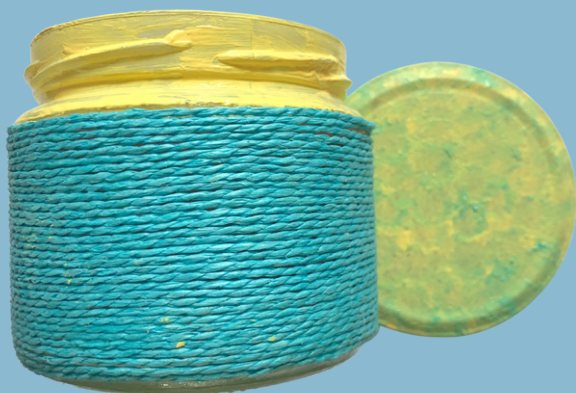

What you need:

- **Twine or thick wool**
- **Glue**
- **Scissors**
- **Acrylic paint**
- **Buttons, shells, beads**
- **Coloured paper**
- **Empty Jar**
- **Felt pen**

Clean a glass or plastic jar and apply glue all over it

Take bright coloured twine and wind it all over the jar trying not to leave gaps

Let it dry for a while.

Cover the lid with a thick coat of paint

Make a pretty design on the jar using beads, shells and buttons. stick them with glue

Alternatively, you can make small butterflies from our wand activity and stick them on the jar

Cut a rectangular piece of paper and write Boredom Buster on it. Stick the label on the jar

Put all the activity cards from Tuesday's email into the jar

Use the Boredom Jar to pick activities to do whenever you have free time. You may think of more ideas and put them in the jar too.
