

1,2,3..go!
Your teeth are
almost ready to
glow

Make sure you
get to those
naughty ones in
the back

I'm so proud of
you..keep up
the good work!

You could light
up the room
with your shiny
white teeth!

I loved the
candy smell
when I kissed
you last night!

The little kids at
Fairyland are
learning from
you..so keep it
up!
