MELBOURNE BUSHFOODS

Melbourne Bush Foods began with a social mission to bring native ingredients into as many people and pantries as possible. Australia's native plants have existed for thousands of years. They provide a rich bounty, and their nutritional content has been shown to be far superior to modern foods; plus, they offer an exceptional culinary experience. Learn the story behind their spices and feel good that everything is sustainably sourced.

BIODEGRADABLE
PACKAGING

ANISEED MYRTLE SPICE

Description : Aniseed Myrtle is Australia's answer to gingerbread-making, Ricard-drinking, liquorice-loving rockstars, or those who like to add a sprinkle of depth into a hearty stew or curry.

Apart from being great in the above, its reminiscent flavour of Star Anise makes it a hero in all dishes from savoury to sweet.

Size : 100GM Pack

PD Code: PD072218

BUY

LEMON MYRTLE SPICE

Description : The absolute queen of native foods - lemon myrtle is a beloved herb with a strong lemongrass/citronella flavour that's sweet and leaves you wanting more. Sprinkled over fish, brewed as tea and poured into cupcake batter, you'll have a super lemony flavour with just a pinch!

Size : 100GM Pack

PD Code: PD072219

BUY

BIODEGRADABLE
PACKAGING

PEPPERBERRY WHOLE DRIED BERRIES

Description : A great black pepper alternative due to its chilli-style heat, the Pepperberry is peppery, with a flavour similar to that of Juniper and Sichuan-pepper. Not only is it perfect for building flavour in meats, salads, cheeses, and hearty meals, it can also be included in homemade sauces to strengthen the taste!

Size : 100GM Pack

PD Code: PD072220

BUY

BIODEGRADABLE
PACKAGING

BIODEGRADABLE
PACKAGING

PEPPERLEAF SPICE

Description : Pepperleaf is a delicious meat rub or the ideal hot spice for roasted vegetables for its warm, spicy aroma similar to basil and nutmeg, with a slightly herbal flavour. Indigenous to the temperate rainforests of southern Australia, it can be found in many national parks, although it is most commonly cultivated in Tasmania.

Size : 100GM Pack

PD Code: PD072221

BUY

RIVER MINT SPICE

Description : River Mint is that bright fresh cousin of spearmint but with a bushy and herbaceous twang. It packs a punch, so a little bit goes a long way, especially in souvlaki or other middle-eastern dishes as well as fresh desserts like tarts, cheesecakes, and ice cream!

Size : 100GM Pack

PD Code: PD072222

BUY

PACKAGING

OLD MAN'S SALT BUSH SPICE

Description : Old Man's Saltbush is one of over 100 species of Saltbush native to Australia. Found in the arid interior regions, Old Man's Saltbush is famed for its salty, umami flavour and incredible drought-tolerant properties as a feed for livestock like lamb.

Size : 100GM

PD Code: PD072223

BUY

BIODEGRADABLE
PACKAGING

STRAWBERRY GUM SPICE

Description : Unlike any other eucalyptus, Strawberry Gum (*Eucalyptus olida*) spice has a fruity, almost bubble-gum flavour and aroma filled with undertones of basil and strawberries. Excellent addition to all cream-based desserts, baked goods, and other sweets, it'll leave you itching for more!

Size : 100GM Pack

PD Code: PD072224

BUY

WATTLESEED SPICE

Description : A native botanical that contains a unique aromatic of hazelnut, chocolate, and coffee, this mouthwatering spice is beneficial to your health and your tastebuds. Unlock this distinctive Wattleseed flavour to pair with your hot drinks and desserts to give them a sweet and healthy kick.

MELBOURNE BUSHFOODS

These native fruits are sourced from the best-growing regions around Australia. Used for thousands of years by first nations people, native fruits are known for their immense healing properties and unique and delicious flavours. Adding these fruits to your sweet or savoury dishes will provide a unique and unforgettable taste that will leave your guests wanting more.

**DAVIDSON PLUM WHOLE
FRUIT FRUIT**

Davidson Plums are tart and acidic, similar in flavour to red fruits without the sweetness. Great to use in sorbets, syrups, conserves and more!

Size : 1KG

PD Code: PD073860

BUY

**MUNTRIES WHOLE
FROZEN FRUIT**

Small, blueberry-sized fruit with a juicy interior that tastes sweet and fresh. Somewhere between the flavour of a granny smith apple and eucalypt.

Size : 1KG

PD Code: PD073861

BUY

**ROSELLAS WHOLE FROZEN
FRUIT**

Rosellas are tart with an intense strawberry/red berry flavour, similar to other hibiscus species. With their fleshy and meaty consistency, this fruit is best used in sauces or desserts as they naturally contain a high amount of pectin.

Size : 1KG

PD Code: PD073862

BUY

**DESERT LIME
WHOLE FROZEN FRUIT**

Desert limes have a strong piquant/lime flavour with a slight bitterness. They have a fleshy consistency with medium water content. This fruit can be eaten frozen or dehydrated. They are perfect to use in sorbets or desserts.

Size : 1KG

PD Code: PD073864

BUY

FINGER LIMES WHOLE

FROZEN FRUIT

Finger Limes are a native citrus species that produces long, finger-shaped fruit which resembles caviar.

Used by First Nations People for thousands of years, it has now become one of the most renowned bush food items served in restaurants around the world.

Size : 1KG
