

Design 1_Front Vertical

Design 2_Front Horizontal

Allowed file extensions: PDF.

Please note, that all print files must be in 300 dpi resolution minimum.

We will not be responsible for poor-quality prints due to the low resolution of the original files.

All proof files will be color-coded as follows unless stated otherwise:

Blue line = All background images/color/artwork should extend to this line.

Red/Pink line = Finished product will be cut to this line.

Green line = All important information that is not getting cut/folded should be inside this line.

Orange line = Perforation / Score / Crease line.
