

Sizing Guide

1. Print to Actual size / 100% scale
Paper size: A4 (210×297mm)
 2. Check the printed scale against the scale confirmation line below with a ruler.
 3. Lay the paper on a flat surface and stand with your heel on the bottom line.
 4. Mark the line above the longest toe.
 5. Choose your size.

Width - Due to the high flexibility and adaptability of the product, this information is not as essential as for shoes. Skinners are equally suitable for customers with narrower feet.
E.g.: Skinners size L is suitable for 11cm wide feet (larger sizes have wider toe box).
