*For a love less ordinary*

Ouros's core focus is custom made-to-order Jewelry, proudly set with Laboratory Grown Diamonds of the highest caliber. Our quality standards are second-to-none and it shows in every bespoke piece we deliver.

Compared to mined diamonds, our man-made diamonds have superior brilliance, purity and origin. It's no wonder Fortune says man-made diamonds are now better than mined.

# OUR BESPOKE PROCESS

From Sketch to Heirloom

## STEP 1

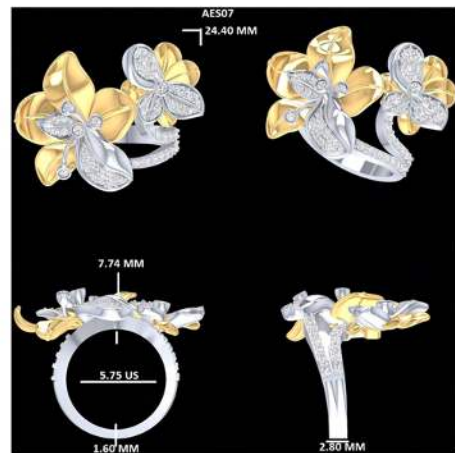

### Share your Ideas

Create your dream Jewelry with the help of an experienced manual designer

## STEP 2

### We Design your Item

We create high tech computer modeling to enhances the precision of the finished product

## STEP 3

### Final Jewelry to Glam Your Body

Our experienced craftsmen will craft your dream into the reality

# OUR CUSTOM CUT PROCESS

From Rough to Polish

## STEP 1

### Marking & Cleaving

After careful examination to establish their cleavage lines diamonds are split in half by gently being tapped with a special hammer

## STEP 2

### Laser Sawing & Faceting

The cutter polishes the rough diamond using a spinning wheel, which smooths the stone and creates the diamond facets

## STEP 3

### Finishing

Finally, experts conduct inspections to check the stone symmetry, cutting angles and polish
