

Display Cases | DC

DC-12C

DC-14R

DC-14A

DC-27L

The new line of Display Cases by Antunes is perfect for showcasing products from a baked goods program. Each design includes acrylic panels to provide full visibility to the products inside. With numerous configurations available — all with a small footprint — the new Display Cases can be easily integrated into any restaurant operation.

DC-12C FEATURES

- Three levels of display with capacity of 12 items.
- Flexible vinyl access flap in rear.
- Top mounted holder to display signage.

DC-14R FEATURES

- Three levels of display with capacity of 18 muffins.
- Rear hinged door with magnetic catch provides crew members with easy access to product.
- Acrylic slide-out shelves for removing and loading product.
- Base kit available to hold product packaging under the display case.

DC-14A FEATURES

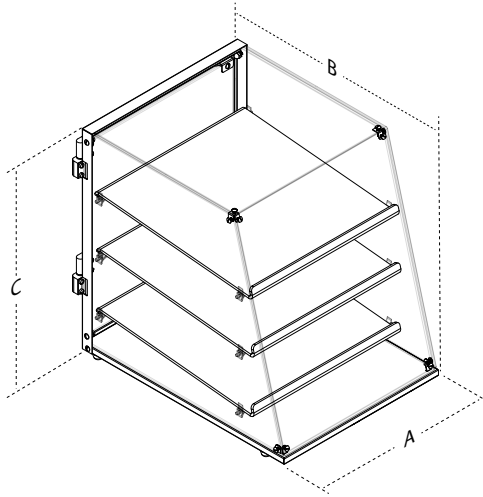

- Three levels of display with capacity of 18 muffins.
- Rear hinged door with magnetic catch provides crew members with easy access to product.
- Acrylic slide-out shelves for removing and loading product.

DC-27L FEATURES

- Three levels of display with capacity of 72 items.
- Hidden low-voltage lighting strips in front left and right brackets.
- Open front with acrylic slide-out shelves for easily adding and removing product.
- Flip-down front panel conceals product wrapping materials.
