

# BROTHER OWNERS CLASS

## WELCOME!

Whether you are a NEW Brother machine owner or long time brother owner our owners class will help you master your machine and use it to its full potential! Start out by learning the basics of your machine, ranging from cleaning and maintenance, to moving around your machine, to practical stitches and techniques. Move on to explore the world of decorative sewing. Find out how easy it is to do machine applique, create unique effects using a twin needle and even do cross stitches with your machine. Also learn stabilizer basics and see how they will add to your creativity. Finish up class with machine quilting and how to use invisible thread and create the look of hand quilting with your machine. Also learn to create your own labels using the built-in alphabets on your machine.

No Embroidery will be covered in this class.
