## TOASTED SERIES

### STRAIGHT BOURBON WHISKEY

Our Toasted Series is a testament to the power of serendipity. When we began to explore toasted finishes, we weren't expecting each barrel to be so different — so we decided to embrace this variety of chars and toasts that make every bottle in our Toasted Series truly one-of-a-kind.

After full maturation in charred new American oak barrels, Penelope Bourbon is finished in a new, hand-toasted barrel. While it can be hard to predict the flavor profile of each bottle in our Toasted Series, the deep notes of vanilla imbued by the toasting process add another dimension to our signature flavor profile. Whether you're into a Heavy Toast or Medium, our Toasted Series truly offers something for everyone.

That's the serendipity of Penelope.
