NUDE FEMME
6:00PM / AUDITORIUM FOYER

Leaving a career with Microsoft behind, and armed with a decade's worth of fashion retail knowledge, Adelyn Putri started Nude Femme to fulfill her dream of selling clothes that encourage women to embrace their sensuality. The label's cruise collection utilises sensual silk that's further tailored to paint Putri's image of a urban slicker who isn't afraid to unleash her inner sun goddess.
