AOSOM FOR EVERY FAMILY

# Aosom

For a whole wealth of products for your retail ventures and beyond, look to Aosom Business.

We've been building our brand for ten years in the UK - with sister branches across Europe and US, now expanding into the corporate side. Our B2C retail-focused business, Aosom UK, sees us shelter a wide variety of our recognisable brands: HOMCOM, Outsunny, PawHut (plus more). We also work with many online and high street retailers, as well as running our own website, [Aosom.co.uk](http://Aosom.co.uk).

Our distribution network is spread across seven warehouses across the UK. This provides us with plenty of storage capacity to keep up with stock fulfilments every season.

A professional partnership offers one-to-one support from a dedicated account manager, access to our 9,000+ product catalogue and better price points to help maximise your business potential. We can assist in bringing specific stock into the UK for you.

Our order fulfilment via dropshipping can help your business expand to new heights, without long-term investment. Product images and listing details will be supplied with price; stock is regularly updated. Items are picked and dispatched within one working day from the UK.

You're just one step away from speaking with us - we look forward to hearing from you.
