

# BriBri Pedicure Booster Kit

## FEATURES

Allows to easily transform adult size nail salon units into small units for children.  
Easily installed and removed for storage while not in use, saving space in salons that cannot accommodate a children's unit.  
Fits almost 90% of the regular size nail salon units on the market.

## COMPONENTS

### 1 | Seat Booster

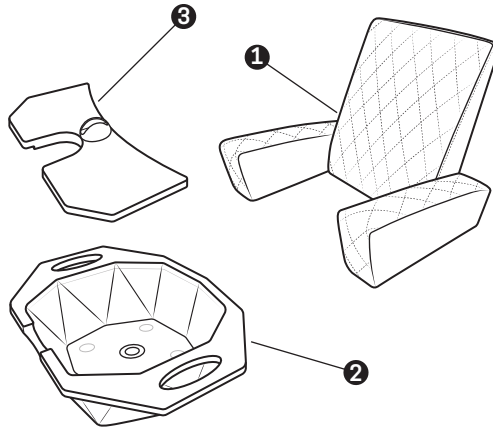

Allows children to sit comfortably in regular seats.  
Acetone proof upholstery.

### 2 | Sink adapter

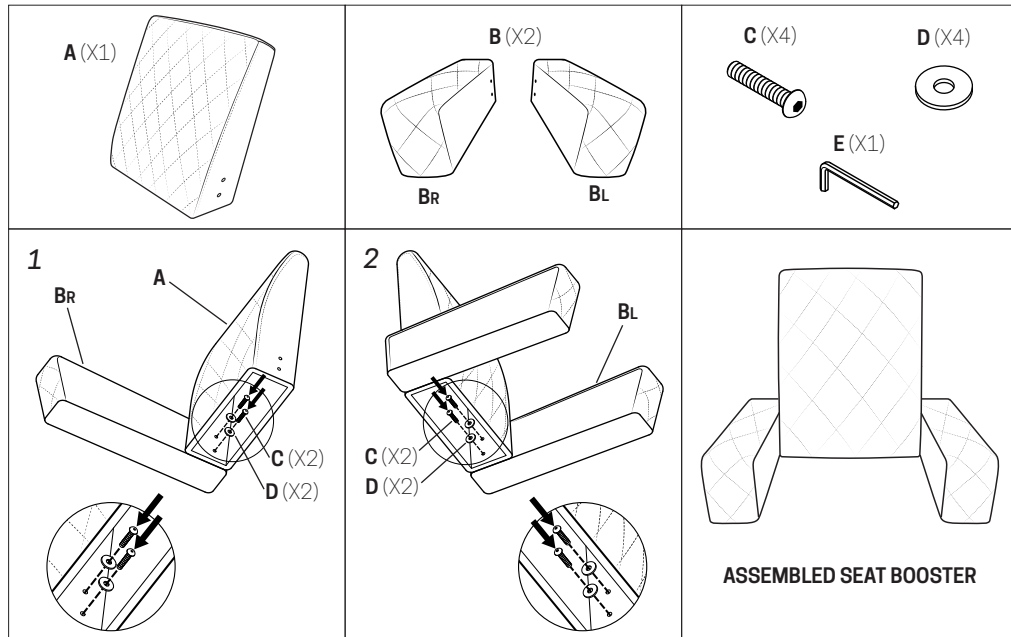

Elevates water to a height within children's reach.  
Equipped with a drain system on the bottom that flushes directly into the regular sink.  
Made of chemical and impact resistant resin, will not break by falling objects.

### 3 | Shower extension holder

Keeps the shower in place while filling the sink.

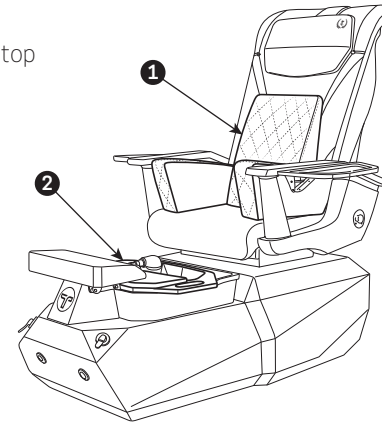

## ASSEMBLY

## INSTALLATION AND USE

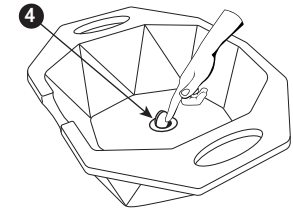

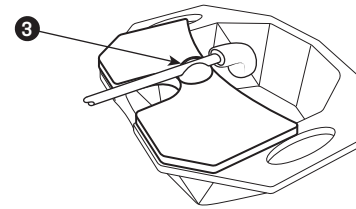

**1** | Place the seat booster on top of the regular size seat.

**2** | Put the sink adapter in the regular sink.

**3** | Use the shower head holder to keep the shower in place while filling the sink.

**4** | Flip the drain stopper to flush.

## WARNINGS

Weight capacity: 80 lb (36 kg).  
Suitable for children 13 years and older.  
Children using the booster must always be under adult supervision.  
Do not stand on the sink adapter.  
No massages on the booster.

No vibration on the booster.  
Caution! Water coming from the shower can be hot.  
Accident risk! Never leave children alone using the booster, they may try to stand up or get out and hurt themselves.

## MAINTENANCE RECOMMENDATIONS

After every service, clean the booster and sink adapter with a cleaning solution or sanitizer.
