TASTING NOTE:

This Riesling shows intense aromas of citrus, lanolin & a distinctive toasty character. The palate is delicately layered showing lime blossom & a wonderful mouth feel that extends to a crisp finish.

WINEMAKER'S NOTE:

Fresh & fruity in its youth, now displaying the unique characteristics & distinguished flavours that a well made Riesling can. This Riesling has been cellared for 7 years before release and will live for another 20 plus.

VINTAGE NOTE:

A warm October and November advanced budburst and flowering by about two weeks earlier than average. March then saw more stable and mild conditions which allowed for a slower finish to the season and ensured enough time for flavour development whilst maintaining natural acidity.
