- Logo and label development

At VapeCrafter, we take e-liquid seriously. Our lab is run by a bioengineer with years of experience in the Biotech industry. We use lab-grade tools and equipment to measure ingredients accurately and precisely. Our cGMP-compliant process ensures that the product is of the utmost quality and consistency, every single time.

## Our Flavors

In the vapor marketplace, VapeCrafter competes directly with other major e-liquid brands. We produce the same or similar flavor profiles at a vastly improved level of quality over the competitors.

**Apple Fritter**

**Balls of Fire**

**Berry Cream**

**Boston Cream Donut**

**Chamomile Tea**

**Grandad's Pipe**

**Lions' Blood**

**PBVC**

**Peppermint Patty**

**Smoky Whisky**

**Spiced Peach Cobbler**

**Tropic Thunder**

**Seasonal Flavors**

## Wholesale e-Liquid Pricing

Our base wholesale level for finished bottles of VapeCrafter-branded premium e-juice aims to place the MRSP at a very attractive 100% mark-up.

10 mL bottles ..... \$3.00 (20 pc. MOQ)  
MSRP: \$5.99

30 mL bottles ..... \$7.00 (20 pc. MOQ)  
MSRP: \$13.99

## Private Label Services

Custom recipe and branding starting at an additional 50 cents per bottle with a 100 pc. Minimum Order Quantity.

Private Labeling Services available include: custom recipe generation and popular e-juice cloning; branding and label printing; custom bottle design.

## DIY Bar

A customer favorite! We can build a DIY bar inside your shop, to allow your customers to pick and choose their flavors and completely customize their own juice!
