- ◆ Everyday activities such as shopping or travelling can often present difficult challenges for those with mobility issues. Shopmobility enables people with mobility difficulties to be independent going around the town.
- ◆ Anyone of any age with a mobility issue can use Shopmobility. You do not have to be registered disabled, have a Blue Badge or be in receipt of disability benefits to use the service.
- ◆ There is a range of Mobility scooters to use, from small portable scooters to large road legal mobility scooters to use. Plus Wheelchairs and walking aids.
- ◆ There is also a small range of small aids for sale in the shopmobility store available to purchase.
- ◆ Valid Blue badge holders are able to apply for free parking. An application form is available from the Stratford upon Avon District Council's offices.
