IMPACT OF CITIZEN PRINTERS IN THE MEDICAL ENVIRONMENT & HEALTHCARE INDUSTRY

Citizen printers are vital in supporting medical staff to deliver the high quality of patient care and safety that is expected of them.

SAFETY THROUGH ACCURACY
Accurate printing helps to prevent human errors through handwritten alternatives.

SUPPORT THROUGHOUT THE PATIENT JOURNEY
Providing printing solutions for each and every stage of the patient journey.

TIME SAVING
Citizen's printers are extremely reliable, allowing staff to spend their time where it really matters.

STREAMLINE PROCESSES

Our printing solutions are made to support medical staff by providing them with efficient and flexible tools that boost productivity.

SEAMLESS INTEGRATION
Designed for compatibility with all healthcare and medical software systems.

MULTI-FUNCTIONAL OPTIONS
A range of options are available to medical and healthcare staff so they can print labels, wristbands and barcodes as required.

FAST & FLEXIBLE
Robust, precision-engineered and fast with the ability to handle a range of media types and content.

HOSPITALS & CLINICS

Citizen's printing solutions guarantee patient safety and prevent medical errors. Our systems help medical staff to keep track of essential patient information throughout the entire patient journey.

Citizen knows how important patients are. Our printers can help you to improve efficiencies in operational and customer services, so that no time, energy or costs are wasted. And, above all, ensure patients are happy and well-catered for.

ADMISSION
Helping to organise patients during their admission to hospital.

LABORATORY
Printing labels and barcodes to help track patient samples, avoid errors and ensure the integrity of laboratory operations.

MEDICAL PROCEDURES
Ensure patients are signed up for right procedures and receive the correct treatments and therapies.

OPERATIONS & SERVICE
Our solutions improve hospitals daily operations by enhancing productivity and best practices.
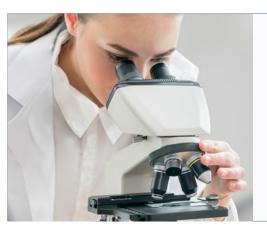

CAFETERIA & OTHER AREAS
Improve customer satisfaction by increasing print speed and functionality, while reducing printing and maintenance costs.

CITIZEN

PHARMA & MANUFACTURING

The delivery of medication is an incredibly important part of adhering to patient care and safety standards. Our dispensing systems are designed with that in mind. Citizen printers also help improve efficiencies in accurate dispensing to make sure your pharmacy operates smoothly and safely.

PHARMACY

Enhance medication management from inventory, through to prescription and accurate dispensing.

PHARMACEUTICAL & MEDICAL DEVICES

Improve production though reduced downtime and increased speed in manufacturing and logistical processes.

PRIVATE PRACTICES & OFFICES

Citizen understands that efficient healthcare administration is vital to patients in private practices and our printer range reflects this. Streamline workflow and leave manual processes behind to embrace barcode management whilst also saving time and costs by eliminating the need for additional paperwork and procedures.

IMPROVE OPERATIONAL PROCEDURES

Minimise the margin of error by replacing hand-written labels with printed text and barcodes.

BARCODE MANAGEMENT

Our barcode management systems are designed to be highly compatible, quick and efficient.

OUR PRODUCT RANGE

Citizen offers a complete range of printing solutions designed to meet the needs of the medical environment and healthcare industry. Allow us to provide you with the safety and efficiency you need throughout the patient journey.
