

ASX Announcement

26 SEPTEMBER 2022

RESIGNATION OF EXECUTIVE DIRECTOR & JOINT COMPANY SECRETARY

Parkway Corporate Limited (“**Parkway**” or the “**Company**”) (ASX: PWN) advises that Alexander Cook has resigned from his various positions at the Company, to pursue another career opportunity.

Mr Cook’s resignation as Executive Director of the Company will take effect immediately as of today. In accordance with Mr Cook’s Executive Services Agreement with the Company, Mr Cook will remain an employee (General Counsel & Joint Company Secretary) of the Company for a two-month notice period, making his expected departure date around 25 November 2022. During this notice period, Mr Cook will assist the Board with an orderly transition of his responsibilities. Ms Amanda Wilton-Heald will continue performing company secretarial services on behalf of the Company, reverting to her previous position as Company Secretary of the Company.

The Board would like to sincerely thank Mr Cook for his contributions to the Company, since starting as General Counsel on 5 July 2021.

The release of this announcement has been approved by Parkway’s Group Managing Director & CEO, Bahay Ozcakmak.

FORWARD-LOOKING STATEMENTS

This announcement may contain certain “forward-looking statements”. The words “continue”, “expect”, “forecast”, “potential” and other similar expressions are intended to identify “forward-looking statements”. Indications of (and any guidance on) future earnings, financial position, capex requirements and performance are also “forward-looking statements”, as are statements regarding internal management estimates and assessments of market outlook.

Where Parkway expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, “forward-looking statements” are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Parkway, its officers, employees, agents and advisors, that may cause actual results to differ materially from those expressed or implied in such statements. There can be no assurance that actual outcomes will not differ materially from these statements. There are usually differences between forecast and actual results, because events and actual circumstances frequently do not occur as forecast and their differences may be material.

Parkway does not undertake any obligation to publicly release any revisions to any “forward-looking statements” to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.

ABOUT PARKWAY CORPORATE LIMITED

Parkway Corporate Limited is an Australian cleantech company focused on developing and implementing, industrial-scale innovative water treatment solutions. Parkway is listed on the Australian Securities Exchange (ASX: PWN) and is emerging as an innovative player in water related sustainability solutions. With significant inhouse technical expertise and established partnerships, Parkway is well-placed to deliver the next generation of wastewater treatment plants, incorporating the company’s portfolio of world-class technologies.

Parkway operates through three (3) core business units, comprising:

- Parkway Process Solutions (PPS) – Parkway’s primary operating division and an emerging provider of industrial water treatment products, services, solutions and associated technology to customers throughout Australia. PPS has recently established commercial relationships with key water industry participants, including globally recognised OEMs;
- Parkway Process Technologies (PPT) – Parkway’s technology development, acquisition, and commercialisation division. PPT owns a portfolio of industrial wastewater treatment technologies, including the patented aMES® and iBC® process technologies. PPT has global aspirations and is supported by a network of strategic partners, including global engineering company Worley; and
- Parkway Ventures (PV) – holds a portfolio of project equity and royalty interests, including interests relating to Parkway’s Karinga Lakes Potash Project in the Northern Territory of Australia.
