WILLOW
ageless hydrating facial

EXPERIENCE: Begin with a whipped, botanical milk cleanser to nourish complexion with skin-renewing AHAs. Next, skin is treated to a rose water tonic that loves to minimize the appearance of large pores! A clarifying, Arizona Red Clay exfoliation then draws out pesky dirt and bacteria. A hydrating compress then plumps the look of skin with sandalwood and barley extracts, followed by a soothing, peat mud mask – packed with vitamins C & B5. Finally, we end with a botanical milk moisturizer to deeply hydrate with ageless peptides, and a potent firming eye concentrate — reversing the look of wrinkles, and adding bounce back to the outer & under-eye area.
