

HONEY lavender milk

hand & foot renewal

EXPERIENCE: Slip away for a hand and foot renewal that begins with your feet and legs dipping into a dreamy buttery whole milk and chicory root soak. Hands are wrapped in steeping towels infused with the same soothing milk blend. Next, a honey-lavender sea salt + rice bran oil exfoliator smooths and softens legs and feet. You're then treated to a creamy yogurt, honey and oat face mask to soothe irritations. A grand finale massage for both hands and legs includes a buttermilk-lavender kneading that caresses your skin with creamy organic coconut milk. If only this could be a new daily ritual!

NOTES ON USE: Pajama Paste® is an active mask. Prepare your client - it will tingle and prickle for the first few minutes. The feeling will subside. Sensation is heightened on sensitive skin.
