CHO-K1 Orco dimer

Cat. no. C2021-003

Product Information

Cell Line: CHO-K1 Orco dimer

Tube Label: CHO-K1 stably expressing Orco dimer

Target: Odorant Co-Receptor Dimer (Orco dimer)

Parental Cell Line: CHO-K1

Organism: C. griseus

Tissue: ovary

Morphology: epithelial-like

Mycoplasma Test: negative

(provided by Eurofins Genomics)

Biosafety Level: 1

Culture properties: adherent
