

## WIND BREAKER CUSTOM CONSTRUCTION SIGN

Move from traditional sign plastering and on to a Wind Breaker Mesh Sign. Present to both your employees and the public your company's professionalism and commitment to Health and Safety.

Tiny holes in the mesh allow for wind to pass through, reducing wind loads. From a short distance, holes are not viewable. Comes complete with eyelets, ready to be hung.

Traditionally

Professionally

### STANDARD PACKAGE: 1

Part No.	Price (EX GST)

## How To Order Your Wind Breaker Sign

### 1. Pick Your Signs

Flick through the Safety Signs category, and select and the 3 main signs required for your site.

### 2. Sign Placement

Write down the Part No. of the signs selected into the space provided on the opposite page. By writing into the space provided, this will determine how you would like your selected signs positioned.

### 3. Mandatory Pictos

Select the Mandatory pictos required for Protective Equipment. For a selection of pictos, see page 25. Write pictos selected in the spaces provided.

### 4. Site Details

Specify site contact details in the space provided. Should this not be filled out, details will be printed out blank.

### 5. Site Office

Circle the point you would like the arrow to be directed.

### 6. Company Logo

Submit a high resolution image (300dpi) of your Company logo in a .TIF or .JPG format. Please send the image to your distributor or email us directly at [brady\\_aust@bradycorp.com](mailto:brady_aust@bradycorp.com) and specify Company details relating to job order.

### 7. Quantity

Please specify in the space provided, the number of Wind Breaker signs required for your site.

### 8. Contact Details

Fill in your company contact details. Should we have any questions, we can contact you.

### 9. Placing Order

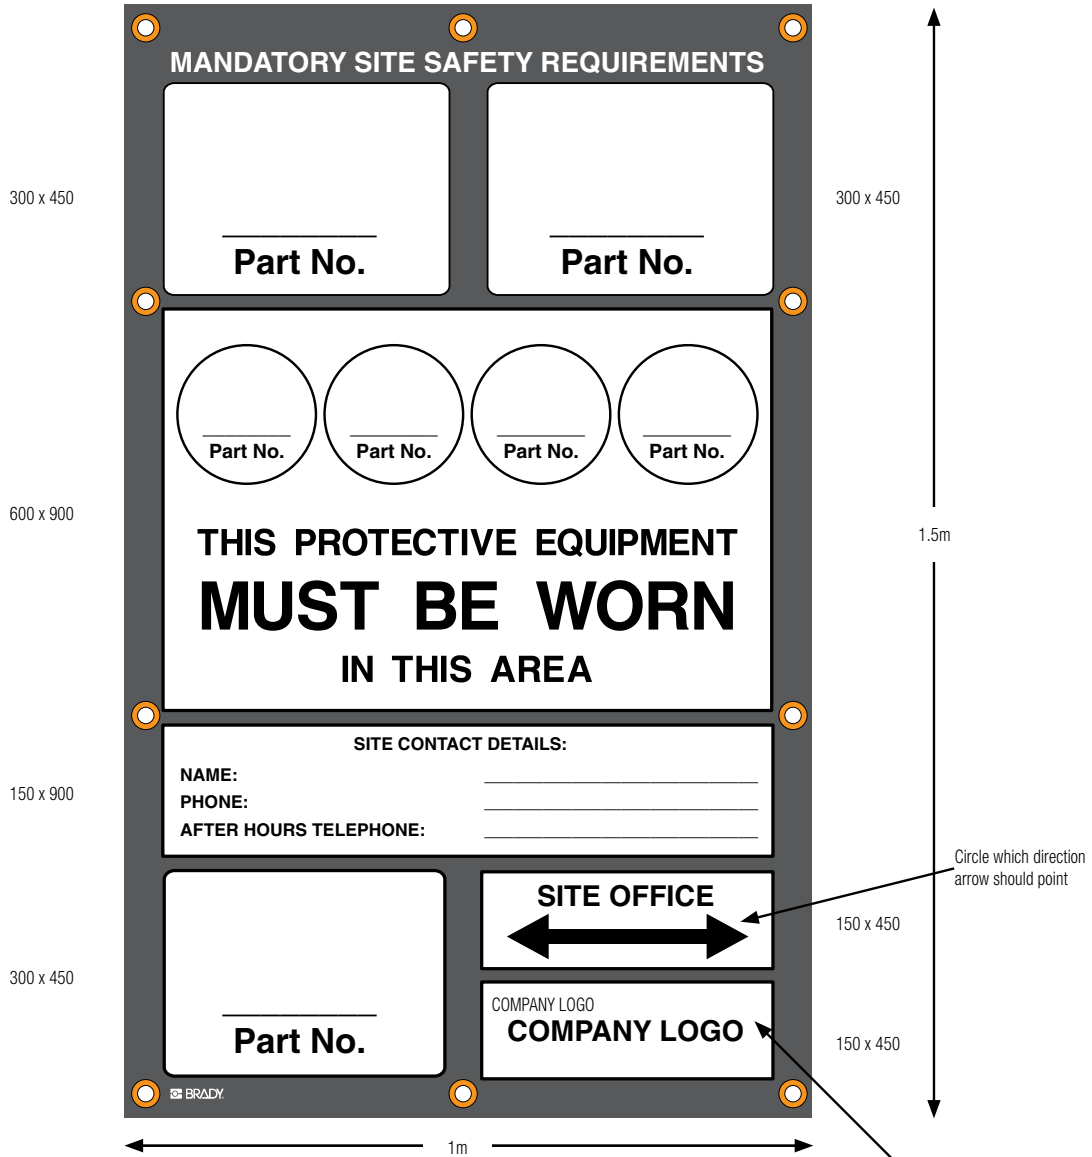

To complete your order, simply fax or email the completed order form to your distributor.

# ORDER FORM AND DIMENSIONS
