

FLOOR SIGNS

Self-adhesive walk-on floor signs consist of a substrate vinyl graphic which is protected by a tough clear textured overlamine. The strong adhesive has been designed to bond to many different surfaces. Suitable for heavy traffic areas or wall mounting applications where graffiti or heavy wash downs are a problem. Suitable for internal use.

SAFETY TRACK® RESILIENT TAPE

Safety Track® Resilient is tough enough to use where other grit anti-slip tapes are used, but is gentler to the touch. An embossed blend of synthetic products create a high performance, non-skid surface. Safety Track® is easily cleaned and can be mopped. It is a kinder, gentler product without sacrificing performance and can also be used for clean rooms, laboratory facilities and food processing plants. Made of laminated calendared film.
