

PEDESTRIAN CONTROL RAIL SYSTEM

Reduce risk and improve the workplace through the implementation of a safe work traffic environment by separating pedestrians and forklifts.

This system is a flexible and economical pedestrian control solution, which is simple to install. It consists of 1.05m surface mount posts and rails in 1.0, 1.5 or 2.0 metre lengths. Powder coated rails can be cut to length and the system comes complete with connectors and fixings.

STANDARD PACKAGE: 1

Part No.	Description	Price (EX GST)	B
872195	1.05m Surface Mount Post	\$149.00	
872196	1.0m Rail w/ Connectors	\$89.00	
872197	1.5m Rail w/ Connectors	\$119.00	
872198	2.0m Rail w/ Connectors	\$139.00	

DOUBLE RAIL U-BARS

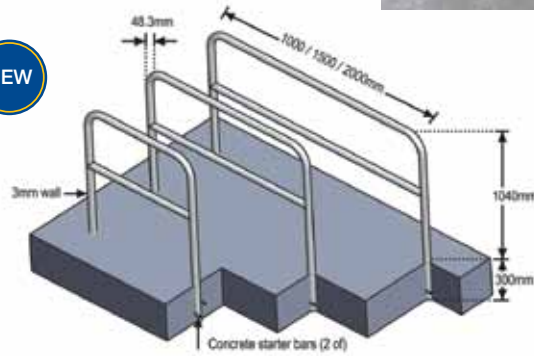

A modular one-piece design U-bar pedestrian safety barrier with fully welded knee rail. Suitable for pedestrian barriers at crossing points or traffic management in and around factory/warehouse areas. Manufactured from 3mm wall steel pipe 48mm in diameter and hot dip galvanised. The fully welded and galvanised one-piece construction makes installation a quick and simple operation. Ideal for schools, shopping centres, walkways or warehouses. Powder coating available in Red or Yellow. Weight approx 16kg.

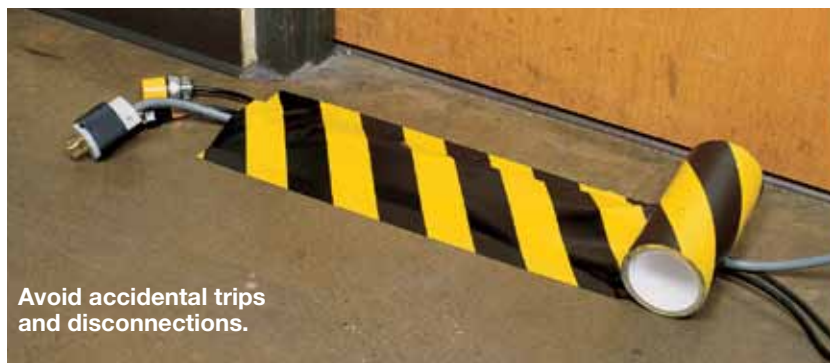

Below Ground Type: Supplied with welded concrete starter bars.

Surface Mount Type: Supplied with fixings.

Part No.	Description	Price (EX GST)	B
873822	1m Surface Mount Red	\$449.00	
873823	1m Surface Mount Yellow	\$449.00	
873824	1m Below Ground Red	\$449.00	
873825	1m Below Ground Yellow	\$449.00	
873826	1.5m Surface Mount Red	\$539.00	
873827	1.5m Surface Mount Yellow	\$539.00	
873828	1.5m Below Ground Red	\$539.00	
873829	1.5m Below Ground Yellow	\$539.00	
873830	2m Below Ground Yellow	\$629.00	
873831	2m Below Ground Red	\$629.00	
873832	2m Surface Mount Red	\$629.00	
873833	2m Surface Mount Yellow	\$629.00	

TUNNEL TAPE

Avoid accidental trips and disconnections.

Tunnel Tape is effective for hiding cords and preventing trips. This tape forms a "tunnel" to safely hide wires and cables. Made of durable 0.25mm, laminated polyethylene, this tape has a special adhesive backing that adheres to any surface - even carpeting. Tunnel tape can be hand torn, repositioned several times and will not leave a sticky residue when it is removed - adhesive-free "tunnel" means no glue on cords.

STANDARD PACKAGE: 1

Part No.	Colour	Dimensions (WxL)	Price (EX GST)	B
