845616	Yellow	100mm x 1.8m	\$109.00
845618	Yellow	100mm x 9m	\$355.00

CABLE PROTECTORS

Eliminate the risk of trips and falls associated with loose cabling and provide added protection for important cables and leads. Constructed from durable, flexible vinyl they do not require special fixing and can be easily installed or removed. Supplied in 3m lengths, they are self-extinguishing in the event of fire.

STANDARD PACKAGE: 1

HEAVY DUTY CABLE PROTECTOR

Channel Dimensions

Side: 13mm
Middle: 19mm

Prevent trips and falls through the use of trip prevention devices. This protector protects cords and cables from damage and is durable enough for use with trolleys.

Made of polyurethane, it is suitable for use where there is heavy traffic - ideal for use in warehouses and offices.

STANDARD PACKAGE: 1

Part No.	Dimensions	Price (EX GST)
871775	19mm x 58mm x 2.5m	\$119.00

DROP OVER CABLE PROTECTORS

Manufactured from UV stabilised polyurethane, these Drop Over Protectors are a fast and easy solution for cable protection and trip prevention. A solid construction ensures cable protection and the ramped edging provides for wheeled access.

Use the Anti-Slip Rubber Pad Kit to ensure minimal movement on surface.
