B bagsdirect®

Bags Direct, is a family-owned business that supplies certified private-label reusable packaging for 35+ years. Trusted by over 50 local and global brands. We've replaced millions of plastic units with reusable alternatives.

Trusted by

"Our family business was founded in 1993, we have worked with clients worldwide to build a movement towards a reusable culture."

"We are known for our quality and innovative packaging that builds brand reputation in sustainability."

LUCIANO LEVY
COO AT BAGS DIRECT

Certified by

We create visually impactful, ethical products that actively solve the single-use problem. Our ethically audited factory is certified by Walmart, Sedex, Amfori BSCI, ISO 9001, Global Recycled Standard and 1% for the Planet.
