3. Players may also discard Wild Cards at any time. Players must announce when they are discarding a Wild Card by shouting "WILD!" Players may discard a Card of any numeric value onto a Wild Card.

4. If no player is able to discard onto either of the two discard piles, one player draws and places a Card from the draw pile face-up into each side of the Tomato Case. Play continues when the player who drew the Cards says "GO!"

4.

5. Play continues in this fashion with players discarding Cards into the Tomato Case until one player has discarded all of their Cards.

Winning the Game:
The first player to discard all of their Cards into the Tomato Case is the winner – all other players should CATCHUP next time!

INSTRUCTIONS

Contents: 80 Cards
Numbered 1-10, 8 Wild Cards

Object of the Game:
Be the first player to discard all of their cards into the Tomato Case.

Set Up:
1. Open the Tomato Case and place it so that it is in the middle of all players.

2. Shuffle all of the Cards and set 8 Cards face-down next to the Tomato Case to form the draw pile.

1.

3. Evenly deal the remaining Cards face-down between all players, forming a pile in front of each player.

4. Place a Card from the draw pile face-up into each side of the Tomato Case. If one of the Cards is a Wild Card, replace it with a Number Card from the draw pile.

5. Each player takes the top 5 Cards from their pile. Players must hold 5 Cards in their hand at any time during the game unless they have fewer than 5 Cards in their pile.

2.

How to Play:
1. Play begins when the player who dealt the Cards says "GO!"

2. All players begin to discard the Cards in their hand into both sides of the Tomato Case that are either +1 or -1 in value from the face-up Card in that discard pile. Players must call out the numeric value of the Card they are discarding.

For Example: If one of the piles shows a Card with a numeric value of 2, a player could discard a Card with either a numeric value of 1 or 3.
