

LED Emergency Exit Light

Product Description

Eagle Star LED Energy Efficient and long life led emergency light are hard-wired and use less than 4 watts of power, lowering your energy consumption. Wire Free, powerless Photoluminescent and Tritium Exit Signs are very easy to install with no wiring required. Heavy Duty Exit Signs and Wet Location Exit Signs are great applications for outdoor placement.

- Model NO. ES-EL082A
- Injection-molded thermoplastic ABS housing
- UL-94V-0 flame rating, fire-resistant
- Voltage 120V/277V AC
- Power consumption: 3.5W max
- Output: 4W max.
- Qualified with the CE, RoHS, UL, cUL
- 3.6V Nickel Cadmium Battery
- Charging time: 24 hours
- Working time: 90 minutes
- Operating temperature: 0°C~40°C
- Package: 8PC/CASE 26.2*12*16.4 inch/27.28
