Order Code: KYB-MED-103-UBUS
Accuratus AccuMed 103 - USB Compact Fully Sealed IP68 Washable Medical Keyboard - US ENGLISH

About

The AccuMed range is specifically designed for environments which have to meet very high hygienic requirements such as hospitals, dental practices, cosmetic surgeries, doctors, vets, laboratories and in food & pharmaceutical production areas. Not only could these keyboards be used in hygienic areas, they would also be perfect in dusty, dirty and wet situations like workshops, boats and in vehicles. Our AccuMed range have all been designed so that there are no areas around the keys and buttons where dirt and germs can collect, this combined with super flat keys for easy cleaning is the perfect combination to aid with bacteria, virus, fungi and algae control.
