

Premium Mini Scissor Key Keyboard - US English

USB-C Connection

Order Code: KYB500-K82A-US-C

Accuratus K82A USB-C - USB Type C Premium Mini Scissor Key Keyboard

About

The Accuratus K82A mini keyboard specially designed for meeting high spec requirements. With the latest USB Type C connectivity this keyboard can be connected to the most recent USB Type C devices including laptops, tablets, PC's and phones, also being perfect for the most recent EPOS environments using tablets. The USB Type C cable features a detachable ferrite core, meaning it can unclipped and repositioned if the cable needs to be threaded through and integrated into an EPOS or other environment. Boasting one of the smallest footprints out of all Accuratus keyboards, the K82A is perfect for situations where space saving is essential. The keys on this keyboard are scissor key design, giving you a very soft and tactile touch for hours of comfortable typing. Fold out feet are on the rear of the keyboard allowing an adjustable typing angle so that users can adjust the keyboard to suit their own preference. With all these features, top quality design and durability the K82A is an ideal keyboard for every situation; office, home, POS and industrial purposes.
