Accuratus K82B USB-C - USB Type C Mini Scissor Key Keyboard with Touchpad - Italian

About

The Accuratus K82B mini keyboard is specially designed for meeting high spec requirements. With the latest USB Type C connectivity this keyboard can be connected to the most recent USB Type C devices including laptops, tablets, PC's and phones, also being perfect for the most recent EPOS environments using tablets. The USB Type C cable features a detachable ferrite core, meaning it can unclipped and repositioned if the cable needs to be threaded through and integrated into an EPOS or other environment. Boasting one of the smallest footprints out of all Accuratus keyboards, the K82B is perfect for situations where space saving is essential. The keys on this keyboard are scissor key design, giving you a very soft and tactile touch for hours of comfortable typing.

The K82B has an integral touchpad with left and right mouse buttons giving the complete keyboard and mouse solution. With all these features, top quality design and durability the K82B is an ideal keyboard for every situation; office, home, POS and industrial

Specifications
