Accuratus 301 Wireless Multi-Device - Dual Bluetooth 5.1 & RF 2.4GHz Wireless Multidevice Multimedia Keyboard

## About

The Accuratus 301 Wireless keyboard is a multi-device keyboard allowing you to connect with Bluetooth or RF using the supplied nano sized RF USB receiver. It is multi-device meaning you are able to quickly hot swap between 3 devices (2 x paired Bluetooth and 1 x RF), perfect for computer, tablet or phone. With a full layout keyboard but in an extra slim - minimalist casing. The 301 has modern styled square keycaps which are slimline and have a soft touch and tactile feel, setting you up for hours of comfortable typing.

The 301 also offers clear easy read laser etched key legends, meaning the letters will always remain fresh throughout the life of the keyboard. The 301 is finished in black durable plastics giving a clean, fresh and modern feel to any home, office or computer environment.
