Accuratus 301 Mac Wireless Multi-Device - Dual Bluetooth 5.2 & RF 2.4GHz Wireless Multi-Device Multimedia Apple Mac Slim Keyboard - Italian

About

The Accuratus 301 MAC Wireless keyboard is a multi-device Apple Mac layout keyboard allowing you to connect via Bluetooth or RF using the supplied nano sized RF USB Type-A receiver. It is multi-device meaning you are able to quickly hot swap between 3 devices (2 x paired Bluetooth and 1 x RF), perfect for Apple Mac computer/ laptop, tablet or phone, for example you could pair to your iPhone, iPad and iMac and then quickly hotswap between them with the press of the hot swap buttons. With a full layout keyboard but in an extra slim - minimalist casing. The 301 has modern styled square keycaps which are slimline and have a soft touch and tactile feel, setting you up for hours of comfortable typing.

The 301 also offers clear easy read laser etched key legends, meaning the letters will always remain fresh throughout the life of the keyboard. The 301 is finished in silver upper chassis and white laser etched framed keys giving a clean, fresh and modern feel to any home, office, school or computer environment.
