Accuratus 301 - PS2 Compact Super Slim Multimedia Keyboard with Square Framed Laser Etched Keys - French

About

The Accuratus 301 keyboard is a compact layout keyboard but in an extra slim - minimalist casing. The 301 has a special type of square framed keycap which are slimline and have a soft touch and tactile feel, setting you up for hours of comfortable typing. With a framed keycap design, the keys cannot easily be pulled off, especially good for the EPOS sector and disruptive children in schools. The 301 also offers clear easy read laser etched key legends, meaning the letters will always remain fresh throughout the life of the keyboard.

The 301 is finished in black durable plastics giving a clean, fresh and modern feel to any home, office or computer environment.
