

Professional Wired Mini Optical Trackball Keyboard - FRENCH

Order Code KYBAC5010-PBKFR
Accuratus 5010 - Professional Wired Mini Size Keyboard with Optical Trackball and Left / Right Mouse Buttons

About

The Accuratus 5010 mini trackball keyboard is a mini sized keyboard with an inbuilt trackball. With its high resolution trackball and mini key layout it is an ideal keyboard for use in environments where both a keyboard and mouse are required and space is an issue, for example retail and POS environments. The 5010 has integrated contoured left and right mouse buttons for comfortable mouse use and also an integrated numeric keypad highlighted in blue font.

Using ultra reliable membrane technology and printed durable keys with UV coating like some laptops, ensuring the characters remain fresh throughout the products life. Small size More freedom.
