Dear Costco,

My family and I would love if Costco would carry DeeBee's Organics in your stores! We buy these every summer and wish we could find these at our local Costco. We are especially interested in buying the following products:

Organic Non-Dairy Gelato Pops 25 pack
UPC: 83891300115-5

We even reached out to DeeBee's to ask why we can't find them at Costco and they suggested we ask you as they'd also love to be carried across Costco Canada stores.

Thank you for considering!
