GLOVES

How to Measure

Using a measuring tape, measure the circumference of your dominant hand - just below the knuckles. Compare the measurement to the size chart below to find your glove size.

ARMORED JACKETS - (LORICA/LACUNA/PHANTOM)

How to Measure

Our armored jackets are made slim fit, and true to size. We recommend ordering your normal size.

If any of your measurement is on the borderline between two sizes, we recommend to size up.

MENS/WOMENS CUSTOM

We offer custom sizes for men and women upon request. Please refer to the custom order form in this document and provide detailed measurements.

ARCANE ARMORED CARGO JOGGERS

How to Measure

ARCANE is made unisex, comfortable slim fit with an adjustable drawstring closure. We recommend ordering your normal size.

If you are in between sizes, we suggest ordering based on your fitment preference - size down for slimmer fit, size up for a loose fit.

BOOTS

How to Measure

Using a measuring tape, measure the longest part of your foot wearing the sock you intend to wear. Compare the measurement to the size chart below to find your shoe size. Our recommended approach is to place your foot flat against a wall and measure the max distance away from the wall.

If you cannot find your size. Don't fret! Just select the custom size from the drop-down list and send us your size.

CUSTOM ORDER FORM

We also offer custom orders for Men and Women based on an individual's measurements. Ordering is simple - please select 'Custom' in the size dropdown menu when placing your order.

Please print the following page and fill the chart below using a cloth measuring tape. It is highly recommended to get assistance from a second person to help you get accurate measurements. Once you have completed the chart, please email it to us along with your order number. If you have any questions, please feel free to contact us at support@ravenmoto.co
